To students in BEng curriculum year 1 who have taken course(s) offered by Department of Computer Science, students in the BEng(EngSc) curriculum majoring in Computing & Data Analytics, and all students in the BEng(CompSc), BEng(CE), BBA(IS) curricula,

In order to facilitate the planning of course offerings in the academic year 2017-18, the department will conduct a course selection survey from 3rd to 10th April. If you planned to take any course(s) offered by Department of Computer Science in the coming academic year, please spare a few minutes to fill in an online survey form at:

https://intranet.cs.hku.hk/enrollmentsurvey_hkucas/

If you do not intend to take any course offed by the department, please submit a blank form. The statistics collected from this survey will help the department in deciding which courses to be offered in the coming academic years. It will also assist the department in determining staff resource allocation and time tabling. Hence, we need your help to provide realistic information. Besides, please observe the pre-requisite requirements of each course before making your choice.

SUBMISSION DEADLINE: 10th April 2017

Regards.
Prof. Wenping Wang
Head of Department of Computer Science
